## All I Want for Christmas is My Two Front Teeth

On Thursday, December 13, our speaker at our weekly club meeting was Nancy Mickiewicz, who works at the Food and Care Coalition Dental Clinic.

The clinic is designed to help those who come for food and shelter at the Food and Care Coalition receive the dental care they need.

All of the dentists volunteer their time and supplies and tools are donated, so the services are free to those who come to the clinic.

Clients are encouraged to “repay” the services they receive by doing service hours at Community Action Services and Food Bank and other local organizations.

Nancy said that just recently they were able to give someone back his two front teeth—just in time for Christmas!

Thanks, Nancy, for all you are doing to help strengthen our community!

people on earth  
enjoy!”*

## A Time of Giving

This year at our annual Christmas party, along with the good food and fun, members of our Exchange Club brought toys and clothes to donate to Family Support and Treatment Center in Orem.

We had a great response and were able to deliver some wonderful things to the organization, which helps treat and prevent child abuse.

Thank you to everyone for your generosity during this holiday season. And thank you to Gaylin for organizing and delivering the donations.
