Get Excited about Exchange

Now is the time to get excited about Exchange! So that even more people can have the opportunity to serve others, we must take action to grow Exchange. Our special thanks to those members who have completed a new club building project and to all those engaged in new club building efforts. This not only gives the gift of Exchange to a community but also leaves a living legacy.

There is another important way you can help Exchange grow. During the coming weeks, won't you join with me in sharing Exchange with your friends, business associates, family members and others? Earning the Three to Achieve pin for recruiting three members would be an

excellent gift that you could wear with pride all year long. Introduce someone to Exchange and encourage him or her to join with you in "Uniting for a Better America."

Dee joins me in sending each of you and your families best wishes for a joyous holiday season and a new year filled with much happiness and "Believing and Achieving." May God bless you and God bless the U.S.A!
